

SAE NIT Kurukshetra

SAE NIT Kurukshetra

who are WE?

SAE NIT Kurukshetra is a collegiate club affiliated under SAE India, which is a wing of SAE International on a national scale.

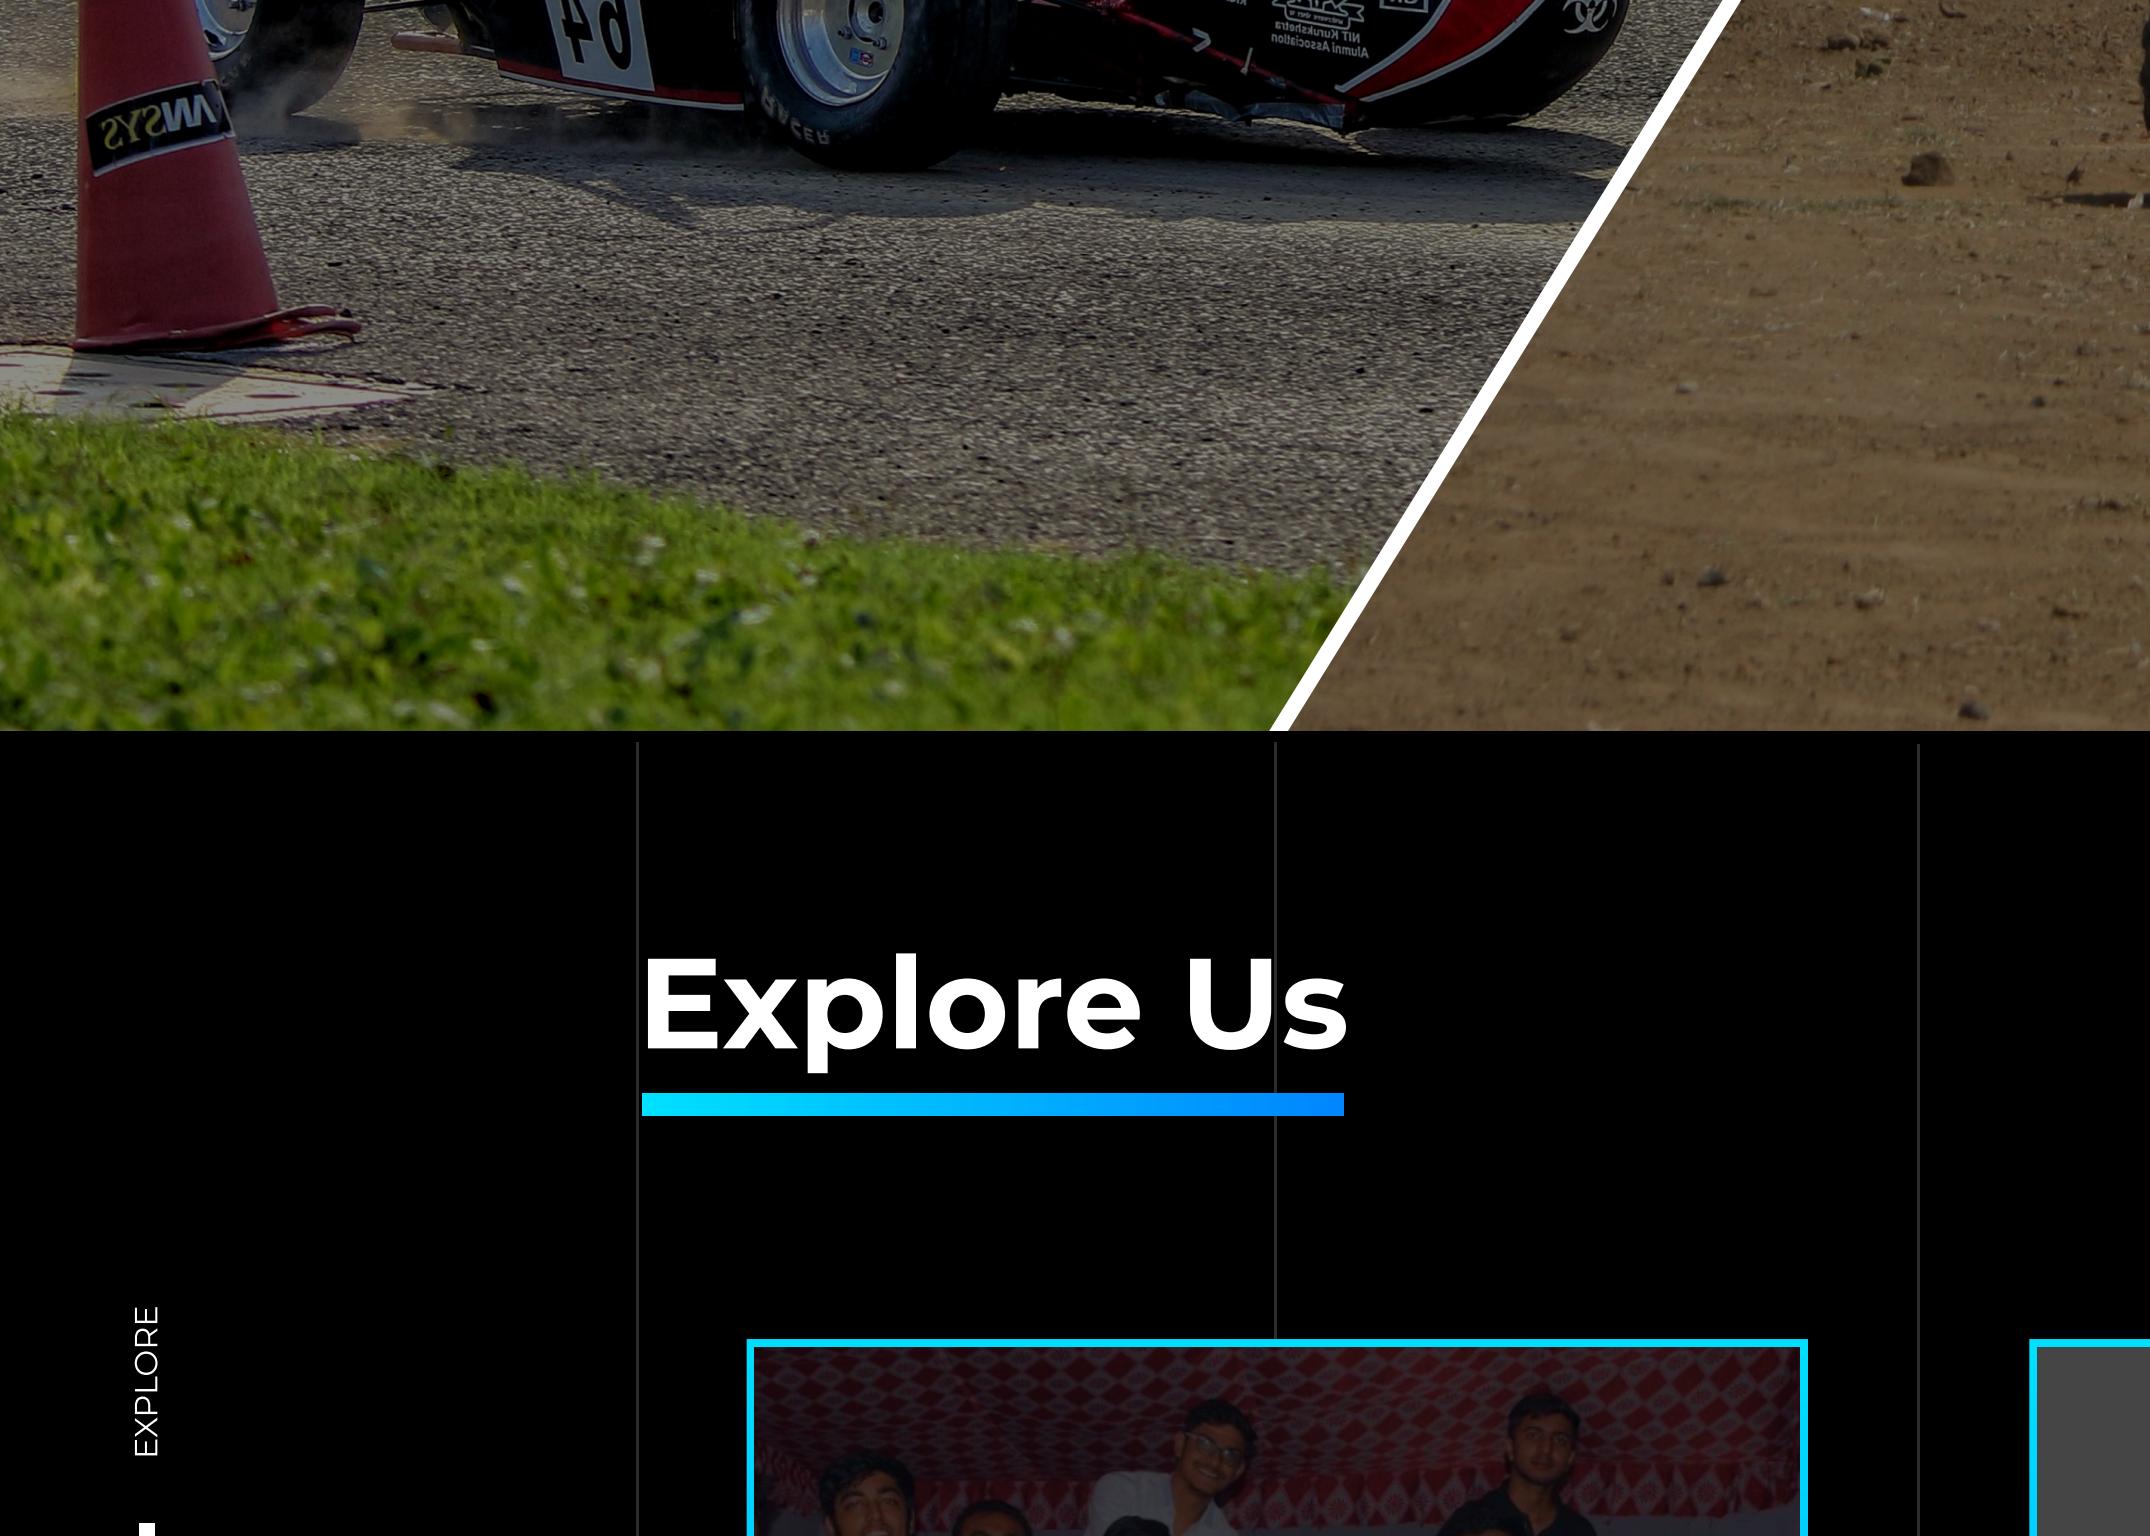

The club is a platform for budding engineers to work together and arrive at solutions to the problems in the mobility field. It forms a link between naive talents and pioneers of the industry.

Valuing the interdisciplinary nature of the automobile sector, UG students from various branches strive to innovate better under the guidance of our professors here at NIT Kurukshetra.

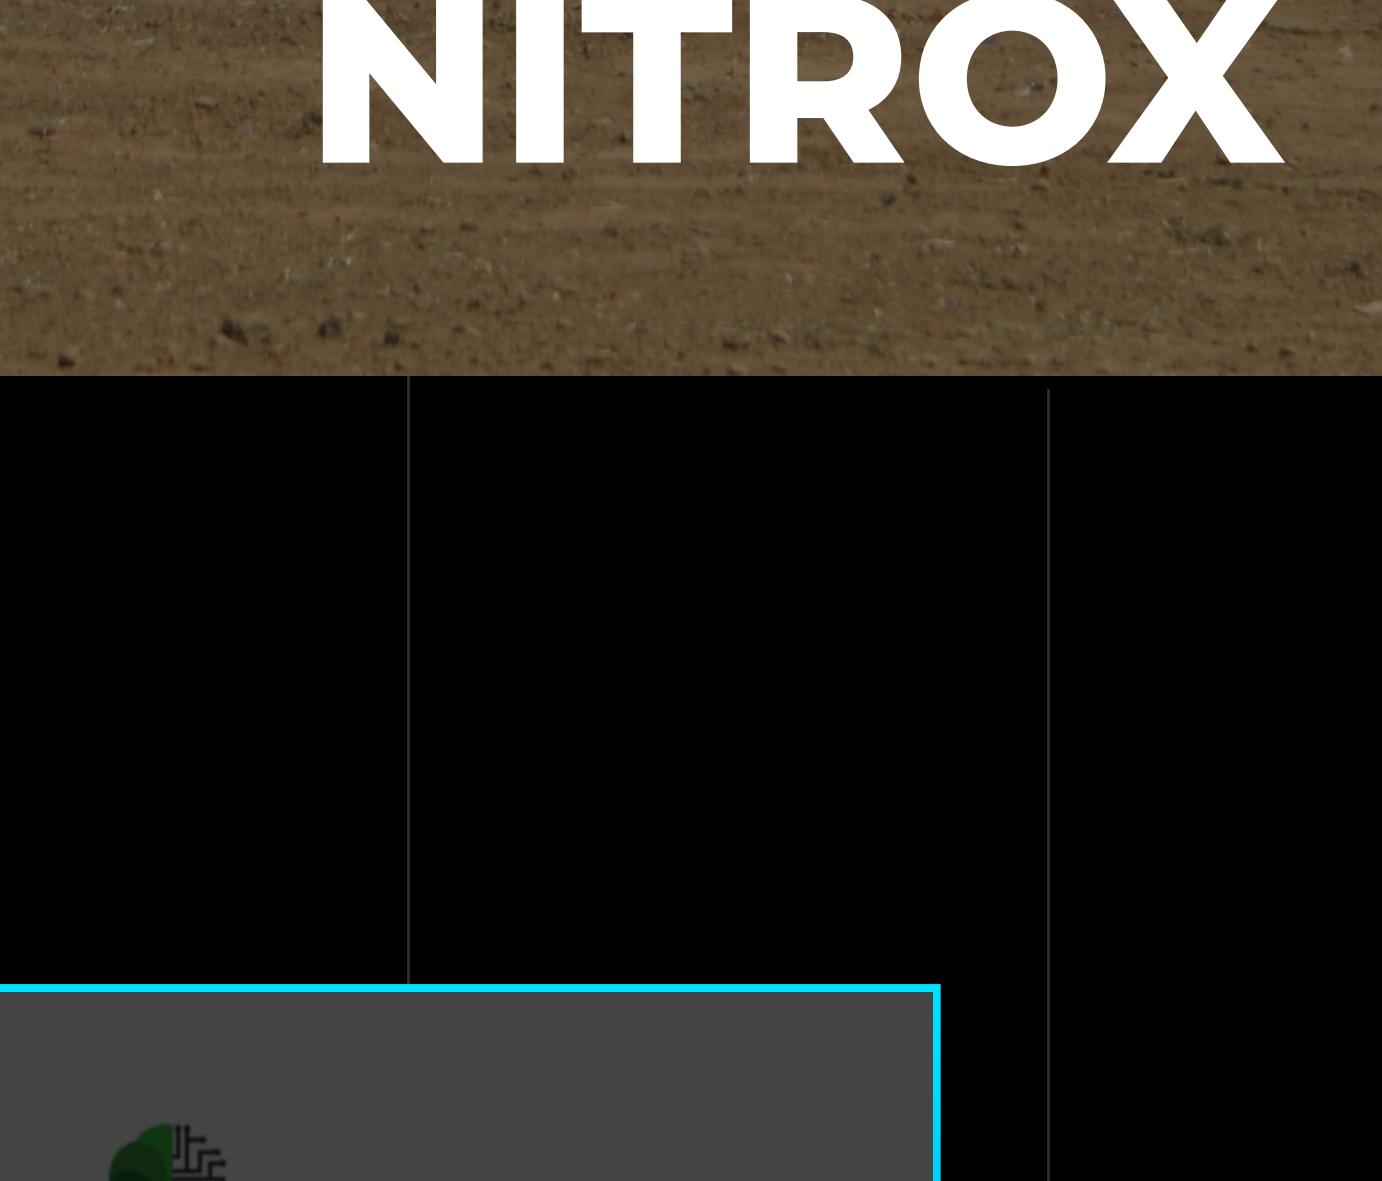

We bring our skills in competition in various events like

BAJA SAE
ATVC
SUPRA
Formula Bharat.
