We are NITROX

ABOUT US

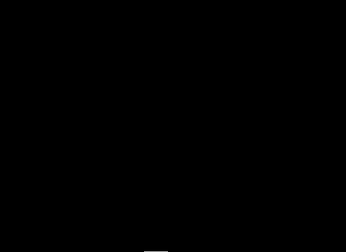

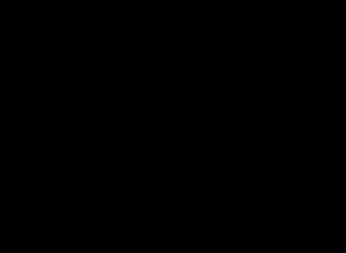

TEAM NITROX is a group of junkies with a shared objective to create a fierce beast of an ATV(All-terrain vehicle). The team was founded back in 2010 under SAE NIT KURUKSHETRA. Since its foundation, the team has grown in all aspects, be it technical, or competitive. From one of the few teams that design its own CVT to representing the country in BAJA SAE Illinois, the team has repeatedly provided evidence of its exceptional growth.

Till date, NITROX's offroader has shown its grip in the following competitions:

BAJA SAE INDIA
BAJA SAE USA
ATVC

where do we **PARTICIPATE?**

COMPETITIONS

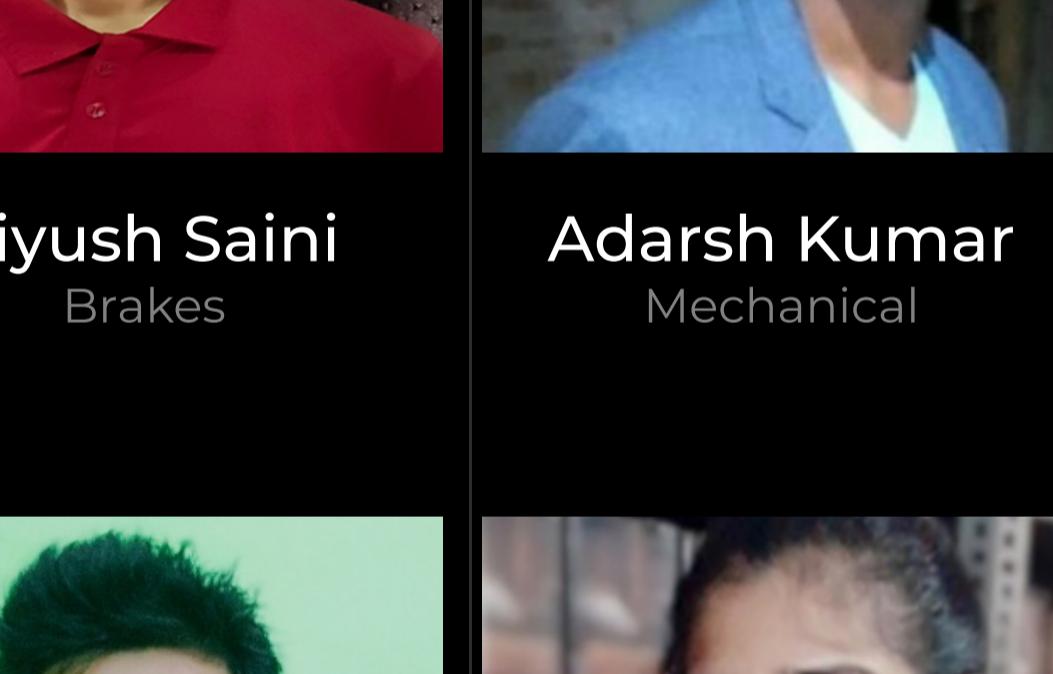

BAJA

Baja SAE is an Collegiate Design Series competition run by the Society of Automotive Engineers International (SAE International). Teams of students from universities all over the world design and build small off-road cars

The goal in Baja SAE racing is to **design, build** and **race** off-road vehicles that can withstand the harshest elements of rough terrain. The vehicles used in Baja SAE racing are often similar in appearance to dune buggies.

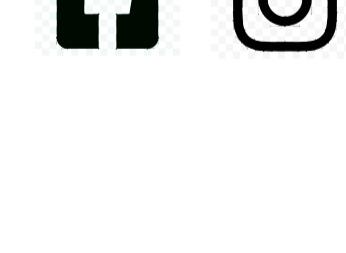

ATVC

The Third season of Aravalli Terrain Vehicle Championship, powered by Infi-league Motorsports is a National championship earmarking all the techno freaks across the country.

The goal in Baja SAE racing is to **design, build** and **race** off-road vehicles that can withstand the harshest elements of rough terrain. The vehicles used in Baja SAE racing are often similar in appearance to dune buggies.
